4. BENEFIT PROVISIONS

If you are earning 20% or less of your Indexed Total Monthly Earnings, a Total Disability Benefit will be paid. The Benefit will never be less than the Minimum Benefit shown in the Benefit Highlights unless otherwise specified in **“What happens when the Other Income benefits have been awarded or have been denied?”**.

When is the benefit paid?

The benefit will be paid as follows:

- benefits will be paid monthly following your Elimination Period as specified in the Benefit Highlights; and
- for each day for which a benefit is payable, the amount paid will be equal to 1/30th of the benefit.

What happens if you return to full-time work and become Disabled again?

We will treat this new Disability as part of your prior Disability if you returned to work and were Actively at Work for less than:

- six months, if due to the same or related causes; or
- one day, if due to an entirely unrelated cause.

You will not have to complete a new Elimination Period.

Your benefit will be subject to the same terms and conditions as were applicable to the original Disability.

Your benefit will not continue if:

- your coverage under the Policy terminates;
- you become eligible for coverage under any other group disability income policy; or
- you refuse to complete a rehabilitative assessment or you cease to participate in a Rehabilitation Program without Good Cause.

If your new disability begins later than the time periods specified, you will need to complete a new Elimination Period.

- you do not provide Proof that your earnings loss is a direct result of your Disability.

In addition to the circumstances shown above, your benefit is subject to termination as otherwise stated under the terms and conditions of the Policy.

How is Other Income applied to your benefit?

The amount of Deductible Sources of Income you receive will be deducted from your Gross Benefit.

Are you required to apply for Other Income benefits?

If you are, or become eligible, for any Deductible Sources of Income, you must apply for that Other Income and make reasonable efforts to reapply for or appeal the denial of any application for that Other Income. Any assistance in that process is not an acknowledgement that you are Disabled or have an eligible claim for benefits.

What is the Right of Recovery obligation?

You must pursue all valid claims including, but not limited to, claims of negligence or wrong doing by any third-party, claims for restitution, constructive trust, equitable lien, breach of contract, and any other state or federal claims you may have against any third party responsible, in whole or in part, for any Accident, Sickness, or Disability for which any benefits have been paid or are payable under the Policy. You must immediately advise us of any action, claim or proceeding to recover such damages or income and any amount you recover and place any funds received in a constructive trust for payment to us. We reserve the right to pursue any and all claims not pursued by you, and you agree to assign all such claims to us upon our request.

4. BENEFIT PROVISIONS

Is Other Income estimated?

We have the right to estimate the amount of any Deductible Sources of Income you are eligible to receive and to reduce your benefit by the estimated amount.

Until approval or denial is made, we will estimate the amount you would receive for any Deductible Sources of Income. That estimate will be considered your Deductible Sources of Income amount. When approval or denial is made, the benefits paid or payable will be adjusted as necessary. We will not estimate if:

- you have applied for the Other Income benefits; and
- you agree to appeal any denials of any Deductible Sources of Income benefits to all administrative levels we deem necessary; and
- you complete and sign the Sun Life Reimbursement Agreement.

What happens when the Other Income benefits have been awarded or have been denied?

You must notify us in Writing within 31 days of receiving notice of approval, denial or an adjustment in the amount of Deductible Sources of Income (other than for cost of living increases). If necessary we will make an adjustment to your benefit. If you have been underpaid, we will immediately make a lump sum payment to you of the amount that has been underpaid. If you have been overpaid, you must reimburse us the amount of the overpayment within 31 days of the award. We have the right to reduce or eliminate your future benefit payments until you have repaid the amount of the overpayment. During the overpayment reimbursement period, the Minimum Benefit will not apply.

What happens if you receive increases in your Other Income benefits?

After the first deduction for each of your Deductible Sources of Income benefits, we will not reduce your benefit payments due to cost of living increases you receive from any sources described as Deductible Sources of Income. This does not apply to any increase in earnings you receive from employment.

What is the Social Security Disability Income Assistance Program?

At your request, we will assist you (if appropriate) through the various levels of the Social Security claims process, including the application and appeals processes.

5. ADDITIONAL BENEFITS

You will then have the right, upon written notice from you or your authorized representative, to review that claim denial. Additional information about claims submitted and review procedures may be obtained by contacting your Plan Administrator.

Your Rights under ERISA:

As a participant in the Plan, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

- Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The Plan Administrator may make a reasonable charge for the copies.
- Receive a summary of the plan's annual financial report, if required by ERISA. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of the Plan. The people who operate your plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan Documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator.

If you have a claim for benefits which is denied or ignored, in whole or in part and if you have exhausted the claims and appeal procedures described in the Certificate, you may file suit in a state or Federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance of the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Questions

If you have questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue, N.W., Washington, DC 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.
